CATEGORY 01

Custom Luxury Kitchens

The kitchen is the architectural heartbeat of the modern residence. We engineer full-height cabinetry, seamless waterfall islands, flush integrated appliances, and tactile soft-close mechanisms that turn daily living into an effortless sensory ritual.

- Blum Legrabox Drawer Systems
- Cambria Quartz Countertops
- Integrated Häfele LED Channels
- Ultra-Matte Anti-Fingerprint & Natural Walnut

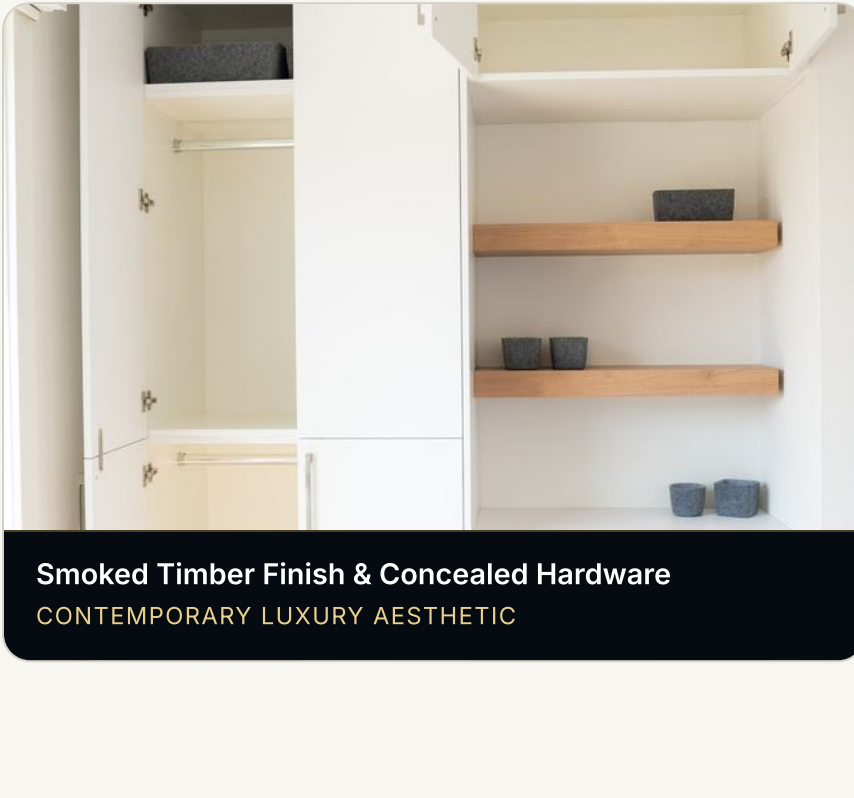

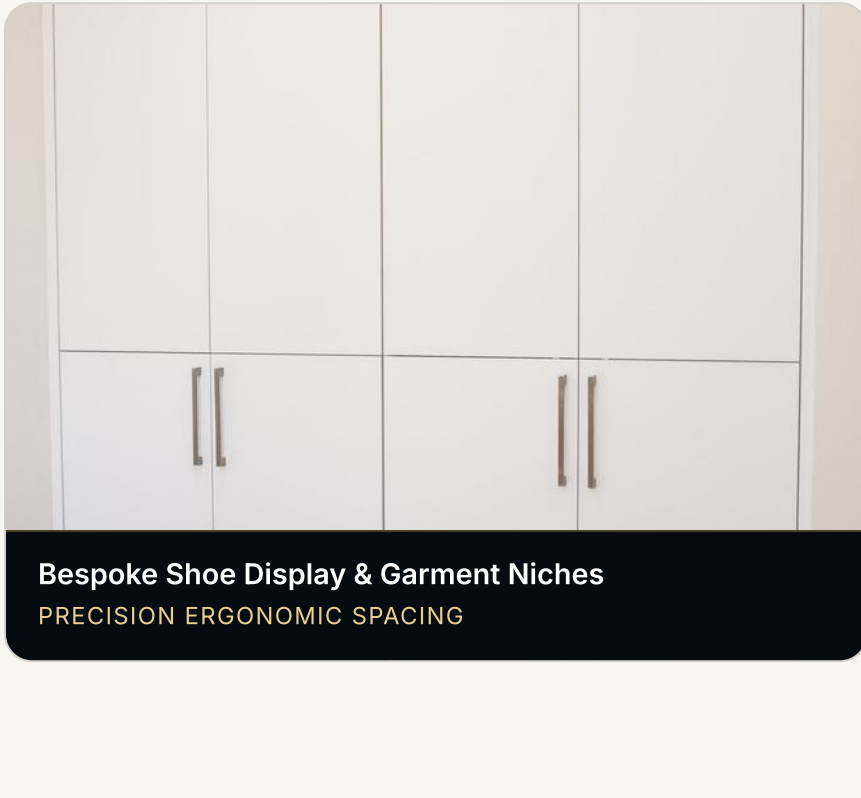

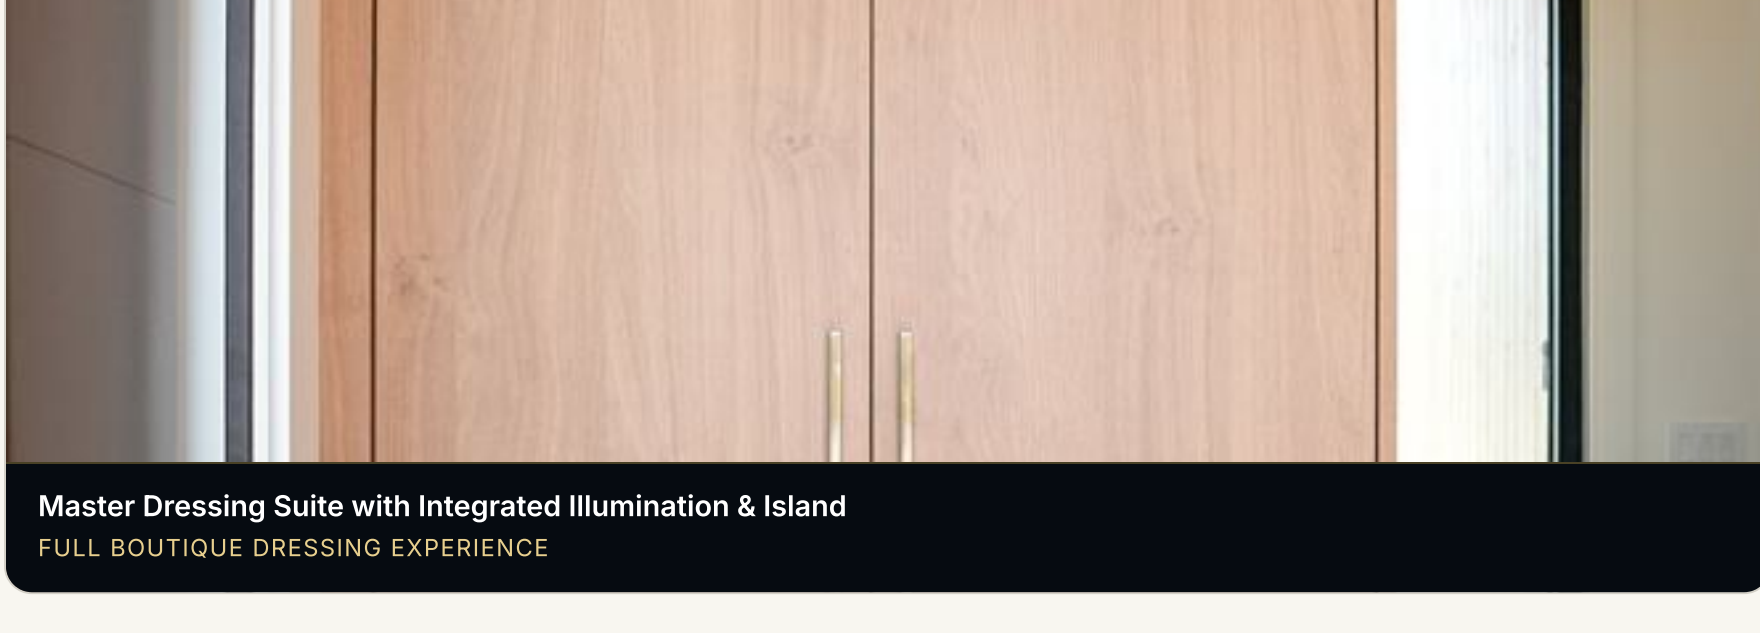

CATEGORY 02

Walk-In Closets & Dressing Suites

Elevating wardrobe organization to haute-couture boutique standards. Our custom dressing suites feature velvet-lined jewelry drawers, sensor-activated vertical LED illumination, framed glass doors, and dedicated accessory showcases built to your exact inventory.

- Sireen Glass Door Systems
- Integrated 3000K Warm LED Channels
- Velvet & Leather-Lined Accessory Dividers
- Center Islands with Tempered Glass Tops

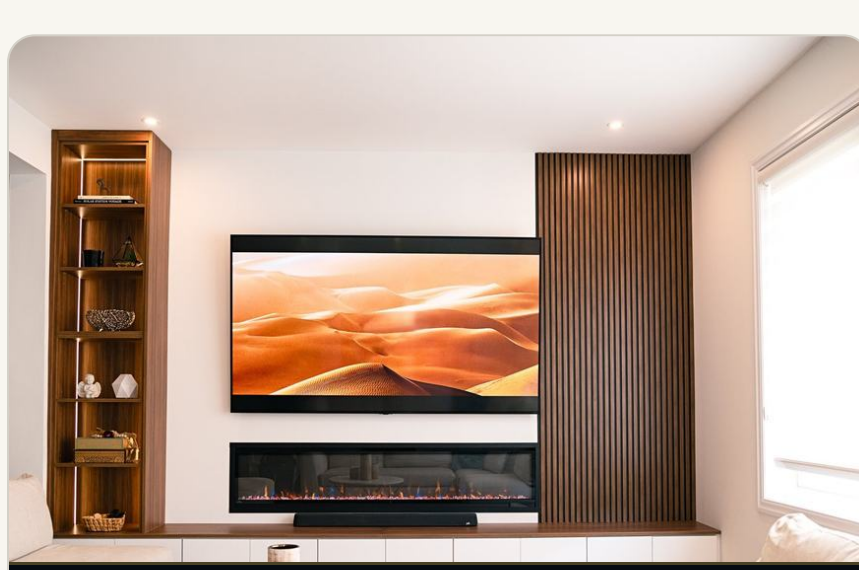

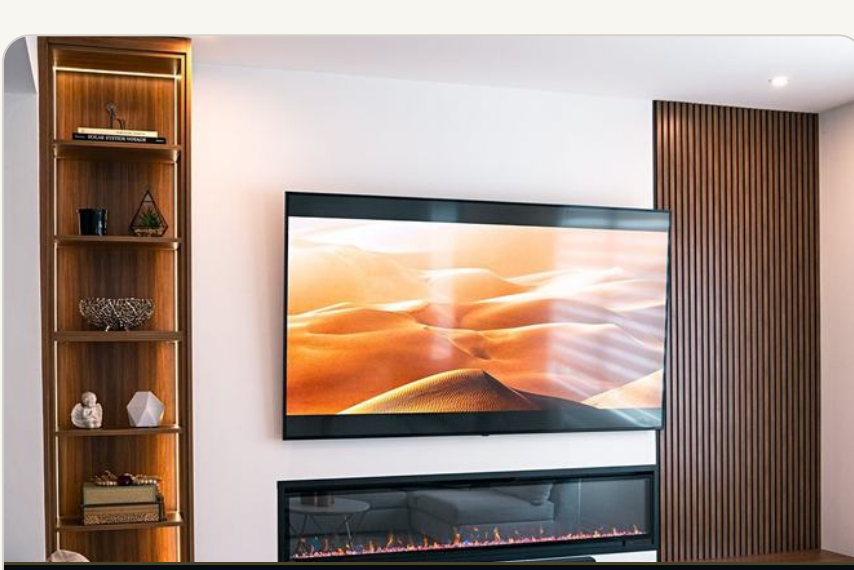

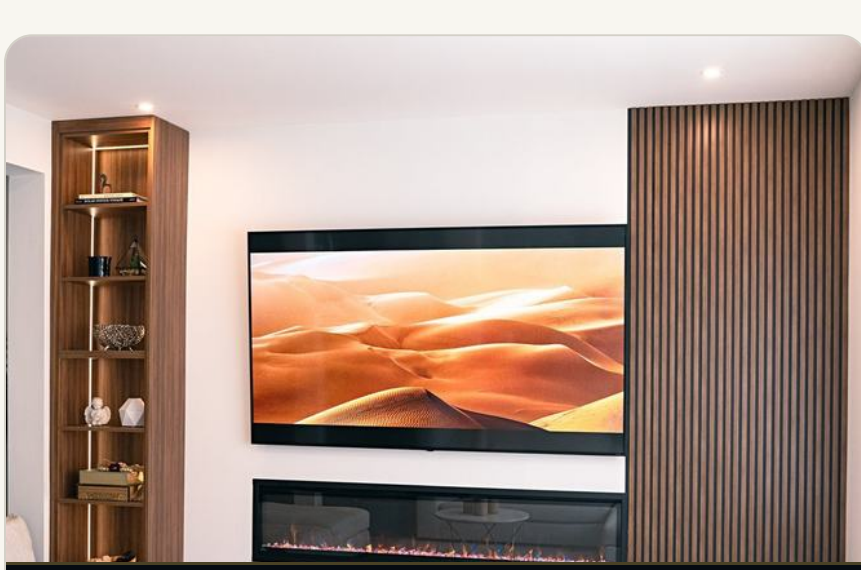

CATEGORY 03

Entertainment Centers & Media Walls

Transforming standard living rooms into cinematic architectural statements. We craft acoustic slatted wood panels, recessed linear fireplace surrounds, floating credenzas, and concealed wire routing systems that keep the focus on clean visual harmony.

- Acoustic Slatted Timber Paneling
- Integrated Linear Fireplace Builds
- Floating Soft-Close Cantilever Consoles
- Invisible Cable & Component Management

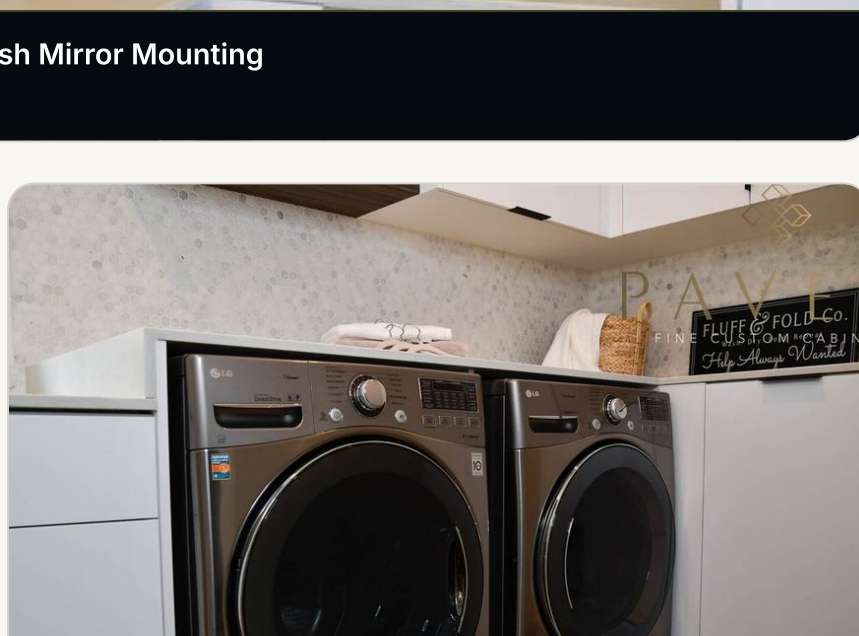

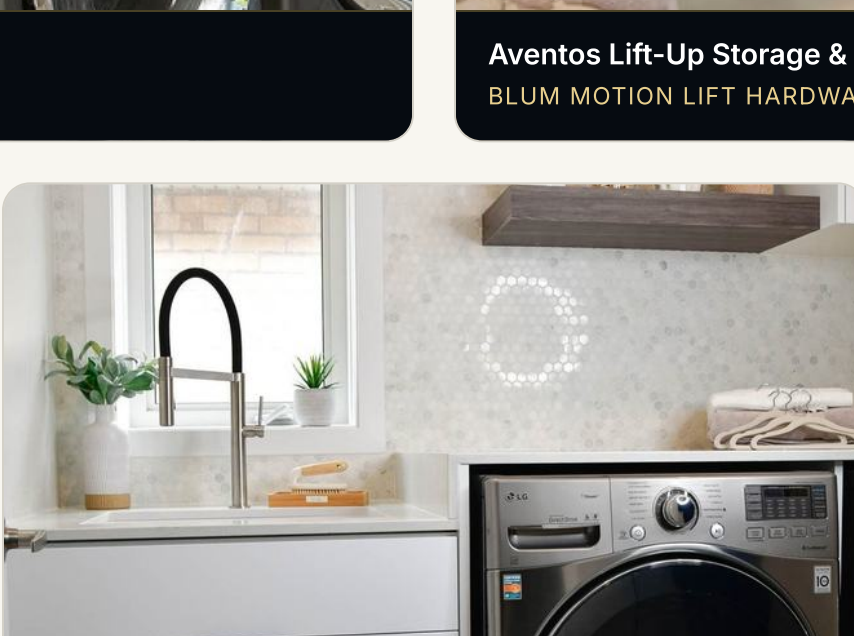

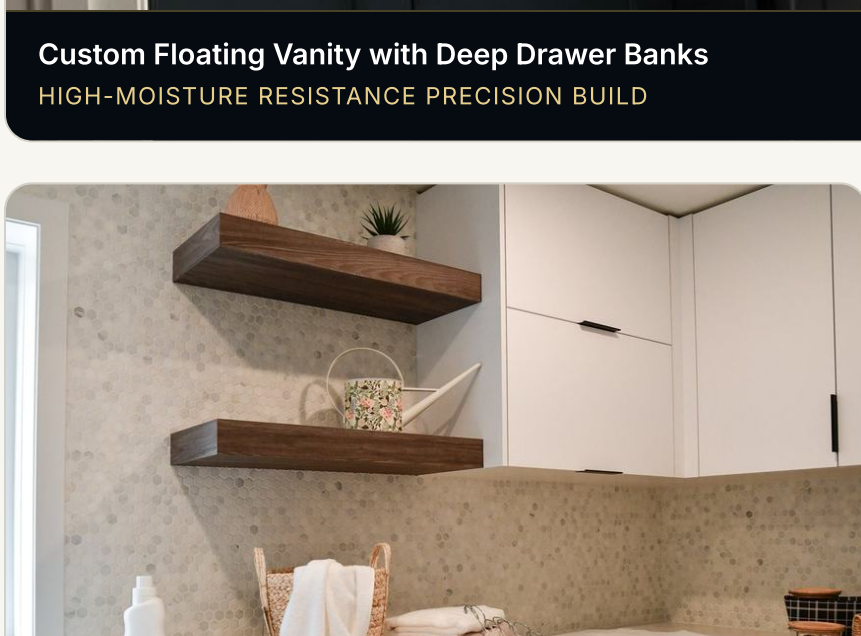

CATEGORY 04

Bathrooms & Floating Vanities

Spa-inspired sanctuaries built with moisture-resistant marine-grade substrate and high-precision edge-banding. Our bespoke vanities feature seamless plumbing cutouts, floating mitered silhouettes, and integrated backlighting designed for daily tranquility.

- 100% Moisture-Shield Polyurethane Core
- Floating Mitered Minimalist Silhouettes
- U-Shape Drawer Plumbing Channels
- Integrated Mirror Perimeter LED Illumination

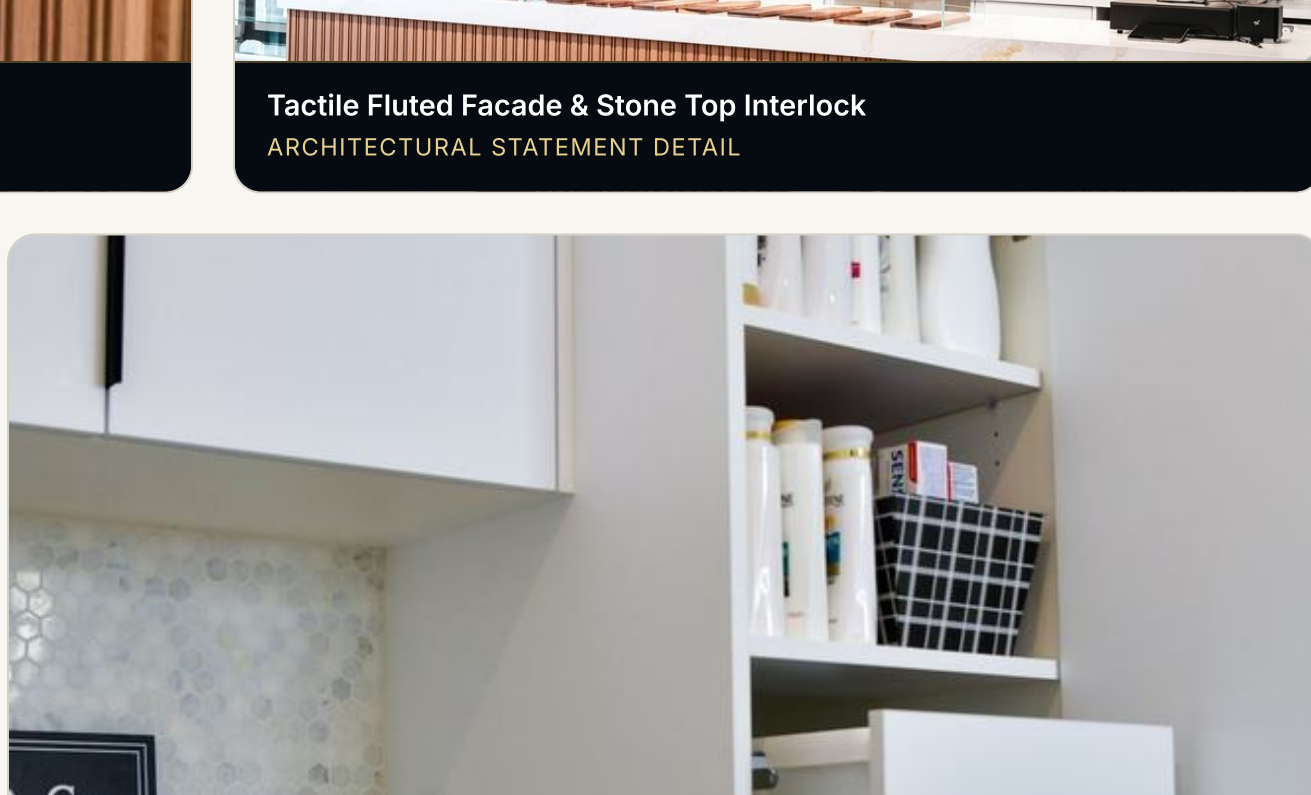

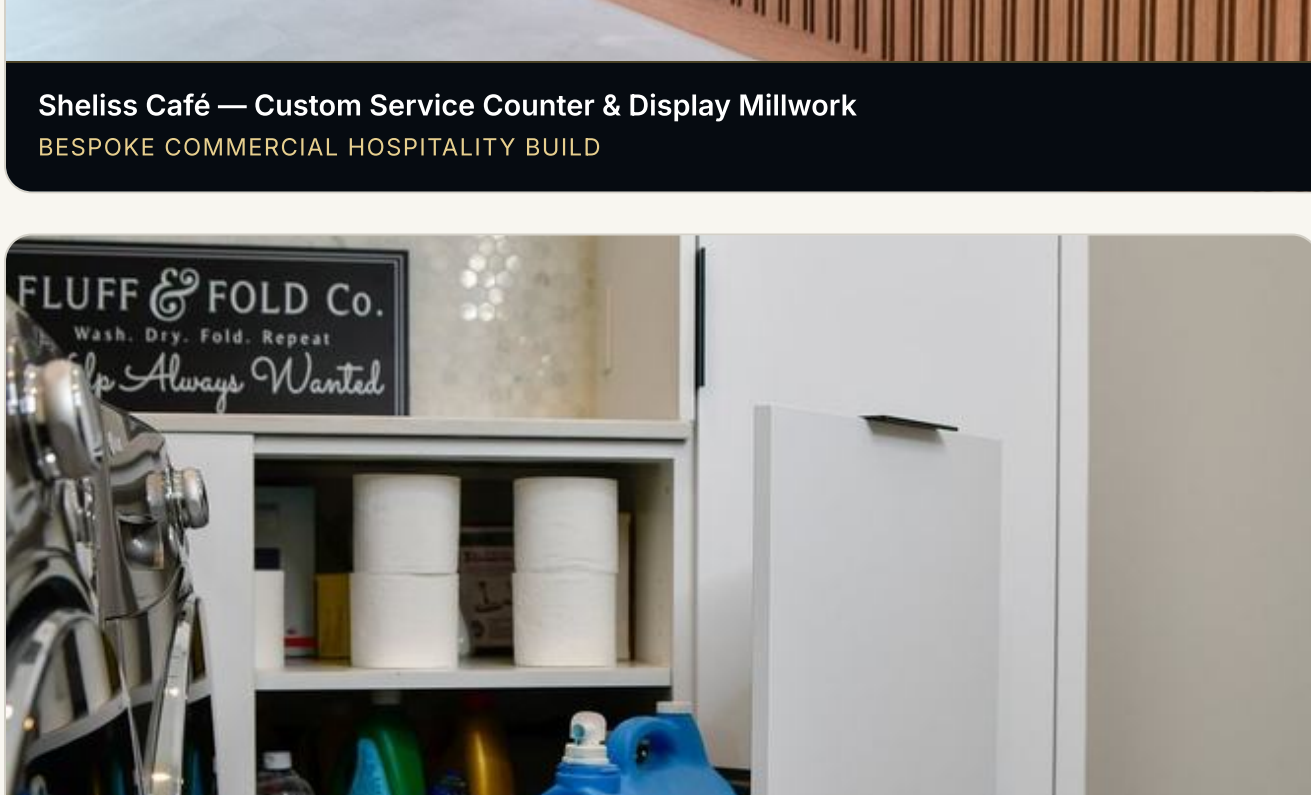

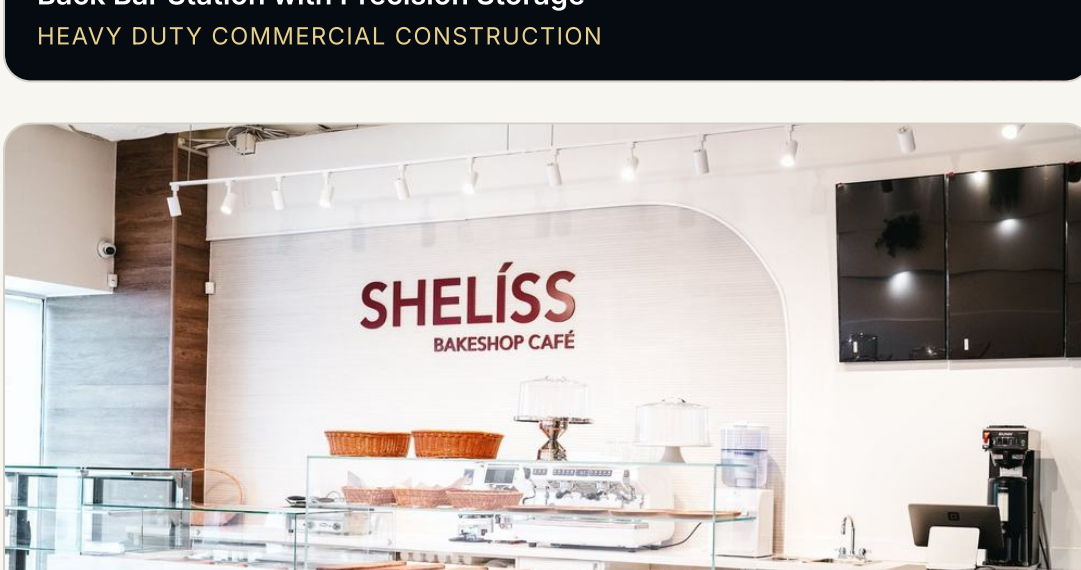

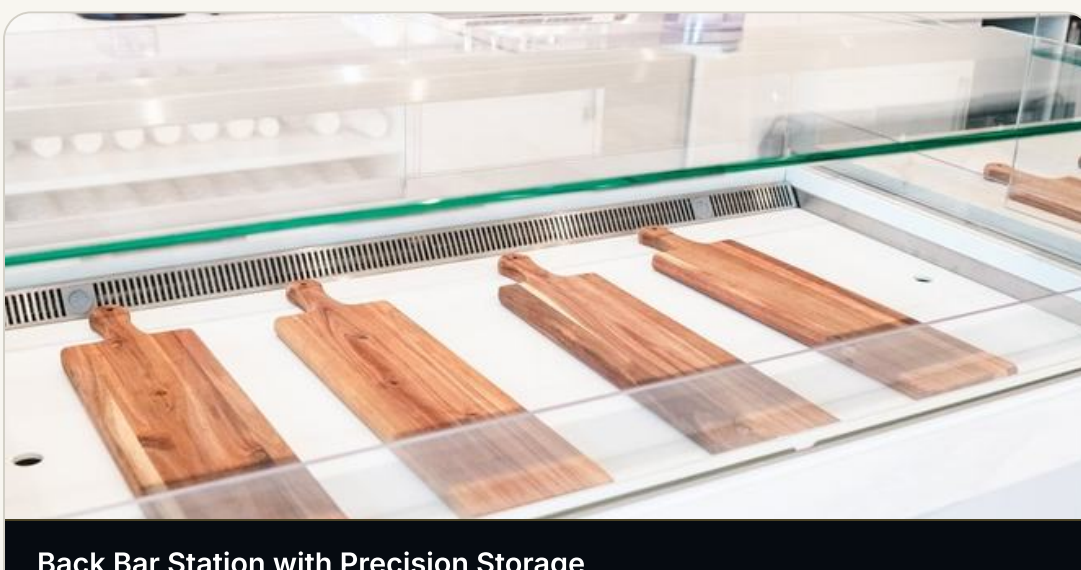

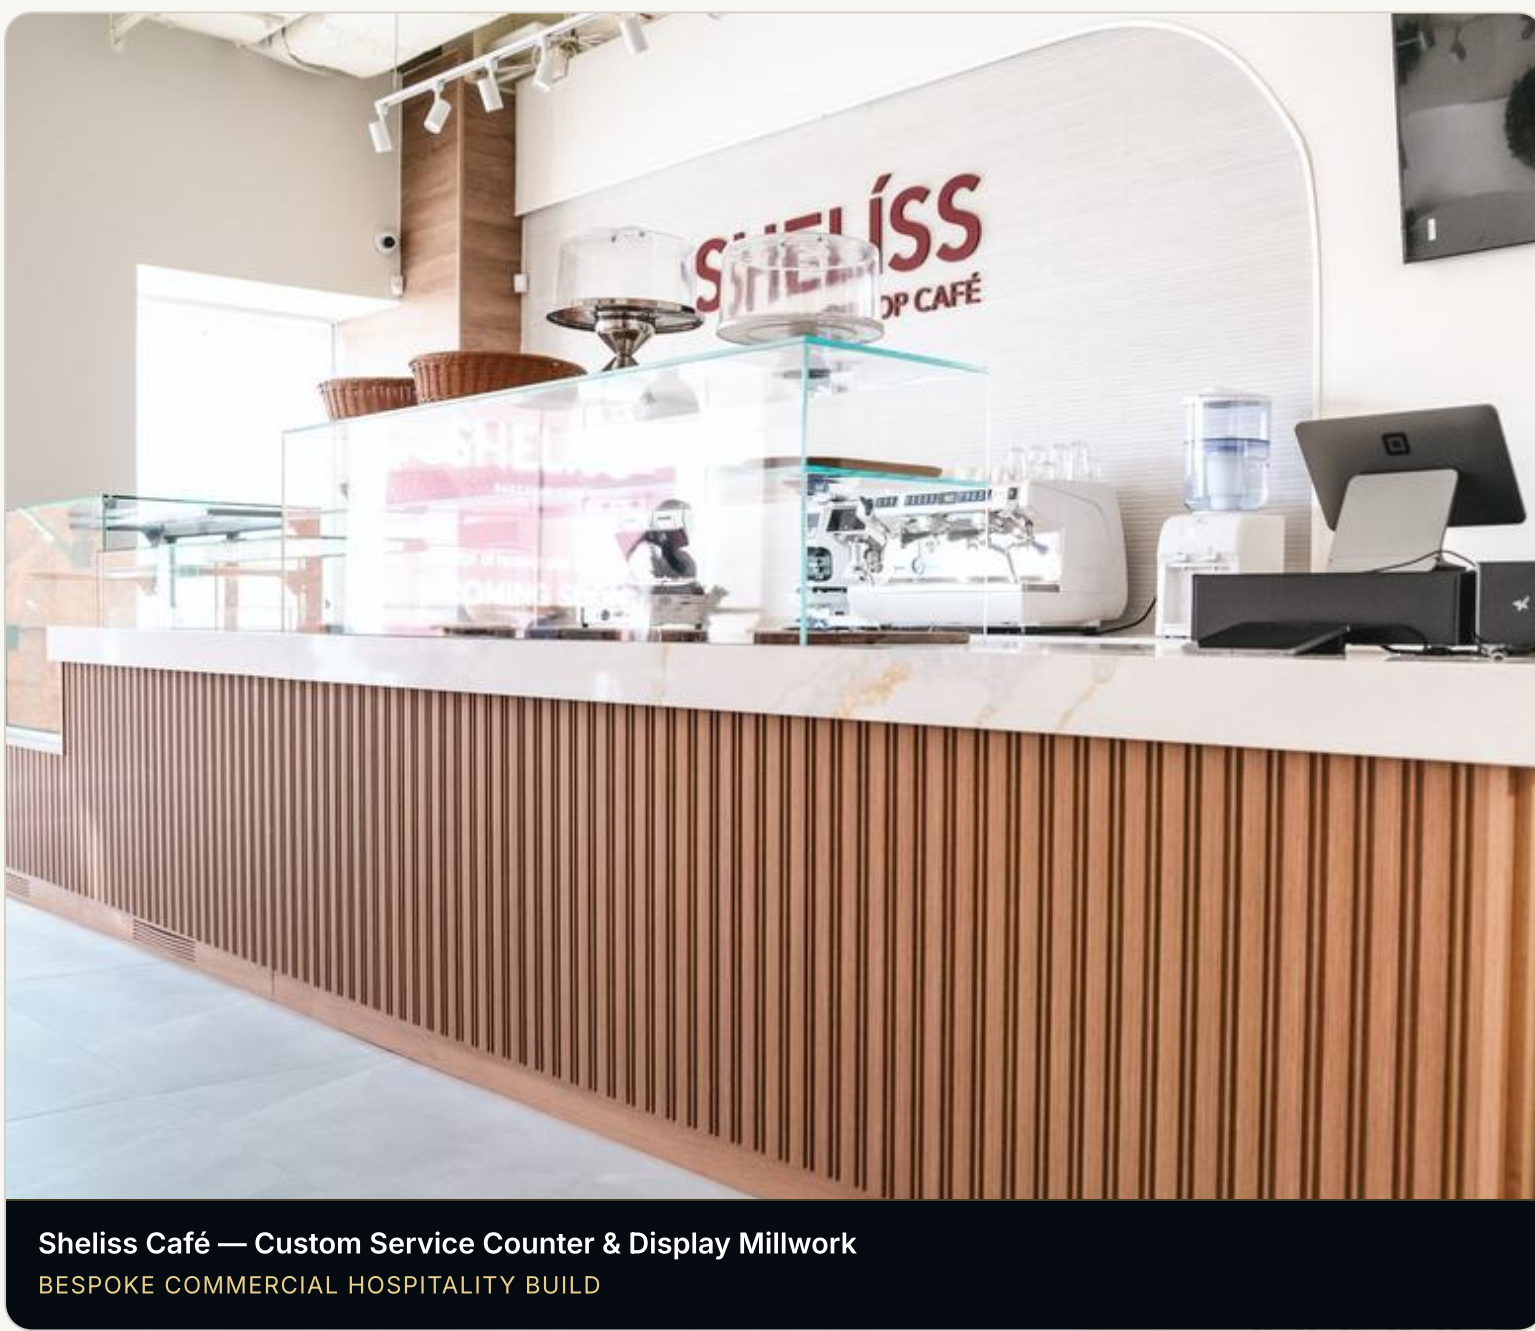

CATEGORY 05

Specialty Millwork & Commercial Spaces

From bespoke boutique cafés to high-efficiency hidden laundry pantries and custom curved bar counters. We bring engineering discipline and high-traffic durability to unique spaces that demand bold distinctiveness.

- Commercial High-Traffic Durability
- Häfele Magic Corner & Pull-Out Pantries
- Custom Coffee Bars & Floating Shelf Geometry
- 100% In-House Engineering & Fabrication

Engineered in Canada · European Standards

Every cabinet that leaves our workshop is designed by degree-holding Interior Design and Engineering professionals. We never cut corners with cheap imports or flat-pack templates. We partner exclusively with the global leaders in architectural hardware.

- 18+ Years Experience
- Lifetime Hardware Warranty

- In-House Installation Crew
